I am a loyal satellite xm radio subscriber and fan.. It provides variety and quality that are not available elsewhere. I pay for this service and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Please, why don't they spend more time on real serious issues, than what we want to listen to on the radio..it is a choice to buy the services, so just leave it alone. Please, I urge to you to reject the NAB's petition 04-160....It should be the peoples choice on what they want to listen to on the radio, that is what we pay for it for..

Thank You
